Office of the Legislative Counsel

Monday - 15 March 1965

10 . Talked with Al Westphal on the staff of House Foreign Affairs Committee and learned that a bill was introduced today containing Foreign Service Act amendments for 1965. Mr. Westphal stated that this is a somewhat changed version of the State Department internally produced bill. (A copy of the State Department bill is in the office and is being made available to Personnel.) The bill introduced today deletes any reference to a time period for Foreign Service Reserve appointments.
